DETAILED ACTION

Response to Arguments

1. Applicant's arguments, see Amendment, filed 8/20/04 with respect to claims 1-8 have been fully considered and are persuasive. The rejection of claims 1-8 have been withdrawn.

Reasons for Allowance

2. Claims 1-8 are allowed over the prior art of record.

3. The prior art of record does not teach nor suggest the combination of "dividing the document into a plurality of blocks; establishing an address array having a plurality of address units, wherein each of the address units corresponds to one of the blocks for recording positions of the objects in the block; updating the positions recorded in the address units according to the coordinates of the objects provided by the GDI; generating a corresponding data image piece for each block according to the updated positions recorded in the corresponding address unit until informed of page end by the GDI; rendering the data piece into raster image data pieces based on the -recorded data position: and merging the raster image data pieces into the full-page printing data".

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably **accompany** the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
